

PAUL CAESAR RODE

Attorney (Germany) | Partner

Paul Rode is a seasoned corporate / M&A professional with substantial experience in international and domestic transactions, joint ventures and group reorganizations as well as privatization and PPP projects. His clients include dynamic start-ups and traditional family businesses as well as listed global players.

As a former start-up entrepreneur, Paul Rode advises founders and VC funds and has a unique understanding of their position based on his own experience. Paul Rode also advises on cooperative law. He is one of the few experts for the underdog legal form of the European Cooperative Society (SCE).

Paul Rode has lived and worked in Taipei, Rome, Dubai, Budapest and London. He is the co-author and publisher of several books not related to legal topics and has more than 20 years experience as a leader and trainer in voluntary youth work.
